2012- 2nd Annual Young @ Art

A week to celebrate the creativity of our Port Angeles Youth

Visual Arts of children from K - 8th grade

General Theme: Most Anything Goes

THIS YEAR - FLAT ART ONLY

Art will be displayed in selected storefronts in downtown PA

Thank you for your participation last year! We learned a lot that will make this year's event all the more successful!

Teachers: If you have a class art project that you are proud to share, you can enter one student's work or the work of the entire class. The work will be displayed as a "class" to make it easy for

your students and parents/guardians/families to view. You will be asked to label the work. Teachers will be asked to deliver their art to Tina Smith-O'Hara, Central Services Building, OR arrange for pick up, OR send packaged art via campus mail delivery. Port Angeles Art Council volunteers will arrange for the display, display the work, and will let you know where your class work can be viewed.

IMPORTANT DEADLINE - FEB 29th - PRE REGISTRATION

In order to prepare our generous downtown businesses and our volunteers for the display of your art we **MUST** have your confirmation prior to the show.

NO ENTRIES WILL BE ACCEPTED IF YOU HAVE NOT PRE REGISTERED.
