MESSAGE FROM THE PRINCIPAL

Thank you to everyone who attended parent/teacher conferences. If you did not get a chance to attend a conference, please call the office at 452-9502 and schedule one now. We would love to have a 100% parent participation.

The semester will end on January 27, 2012. In order for students to receive a .5 credit in their courses they need to have completed the work needed for the .5. They also need to understand that just completing the assignments and turning them in isn't enough. Teachers will need time to correct the work and ask students to make corrections if necessary. Our goal is that all students will receive credit at the end of the semester. Please help us communicate this message to your son/daughter.

A reminder about **Inclement Weather Information:** School closure information is broadcast throughout the day on Radio KONP 1450 AM, and on most Seattle area TV channels - 4, 5, 7 and 13. This information is also posted on the school district website - www.portangelesschools.org. When school closure or school delay decisions are made, they are usually made by 5:00 a.m., and generally out to the news media by 5:30 a.m. If the weather worsens, there is always the possibility that a late start could be changed to a school closure.

I hope to see everyone at our Holiday Luncheon on December 16th at 1:00 p.m. The invitation is enclosed in this newsletter. Our students are excited to share this joyous occasion with friends and family.

We wish everyone a joyous holiday season and a prosperous New Year!!!

Happy Holidays from all of us at Lincoln High School.

STUDENTS OF THE MONTH

Sara Coffel was nominated for October Student of the Month by her teachers. She was chosen for her positive attitude, work ethic and commitment to school. She said she knew it was her the moment Mr. Young started talking about how she brought in delicious cookies. She was very happy to have received this award. Way to go Sara!

Nathan Doty was nominated for October Student of the Month by his teachers. He was chosen for working hard in class, having a good attitude and his commitment to graduating. When he received his recognition he said he was surprised, but also very happy that his hard work had paid off and not gone unnoticed. Keep up the great work Nathan!

LEADERSHIP/ASB

Last month's food drive was a great success bringing in over 400 cans to donate to the Port Angeles Food Bank.

Our Adopt-a-Family drive is going on now. We are raising money to provide gifts to a family in need. We are holding bake sales every Friday and collecting money in all of our advisories. If you can spare some change, please send it to school with your son/daughter. The advisory that brings in the most money will get a party in advisory after the New Year!
