Senior Ball – is scheduled for May 22 at the Masonic Temple from 8-12.

AP testing is scheduled for the first two weeks in May.

Distribution of cap and gowns will be Thursday and Friday, April 22-23, during lunch in the auditorium foyer. Seniors who may not want to keep their gowns may choose to donate them to the choir.

The board has the ranked list of reductions which they will vote on April 26. They have until May 15 to get notifications to employees who will be directly affected by the budget cuts.

Mr. Cameron is currently working on credit recovery for students during the summer; it is possible we could have three-3 week sessions. Students could possibly take English, History and Health. This is not confirmed at this time. More information later. So far 81 credits have been recovered this year compared to 33 in 2008-09.

Leadership will have tryouts for the talent portion of the recognition assembly. They are scheduled for April 27 and April 30. Initially, tryouts were April 29 and 30, but due to a scheduling conflict a tentative change has been made to April 27.
