## Monthly Activities/Goals

**Passion Project!** Our Passion Project is June 1st from 9:30-11:30. Students should choose a topic they are passionate about, research it to learn more and then create an oral presentation. Try practicing the presentation before June 1st for friends and family! This is one

of my favorite times each year! It is a great way to learn more about our amazing students and their interests. Please be sure to check out the movies **Public Speaking** on Brainpop and **Listening and Speaking** on Brainpopjr.

**Eighth Grade Graduation and End of the Year Potluck!** June 8th at 5:30. Please join us for a celebration of our 8th Grade students and an end of the year potluck. Please sign up to bring a dish to share!

## STUDENT OF THE MONTH!

**Robbie**

Robbie is an 8th grader who enjoys; falafel, music, traveling, good books and the ocean. His favorite subject is history and he has many favorite books. Robbie's favorite TV/ movies are; Skins (British TV show) and Bullet Boy. He wants to be a recording artist when he grows up and his favorite saying is, "The winners write history!" Robbie's heros are;

- Barack Obama because he has gone through two years of people slandering him and he has not given up and keeps trying his best.
- Dalai Lama because he has been forced out of his country by military militia and he still preaches peace and love.
- Che Guevara because when the Cuban army was trying to squash guerrilla warfare, he was not just a guerrilla but a doctor and wanted to make sure everyone had equal standards of living.
